

# Evolution

## Korn

I'm digging with my fingertips  
I'm gripping at the ground I stand upon  
I'm searching for fragile bones  
Evolution I'm never gonna be refined  
Keep trying but I won't assimilate  
Should we have come far in time?  
Watch the bough break And I'm sorry, I don't believe  
By the evidence that I see  
That there's any hope left for me  
It's evolution, just evolution And I, I do not dare deny the basic beast inside  
It's right here, it's controlling my mind  
And why do I deserve to die?  
I'm dominated by this animal that's locked up inside Close up to get a real good view  
I'm betting that the species will survive  
Hold tight, I'm getting inside you  
Evolution And when we're gonna find these bones  
They're gonna want to keep them in a jar  
The number one virus caused by  
Procreation And the planet may go astray  
In a million years I say  
Those motherfuckers were all deranged  
It's evolution, just evolution And I, I do not dare deny the basic beast inside  
It's right here, it's controlling my mind  
And why do I deserve to die?  
I'm dominated by this animal that's locked up inside Take a look around  
Nothing much has changed  
Take a look around  
Nothing much has changed Take a look around  
Take a look around  
Take a look around  
(Nothing much has changed)  
Take a look around Take a look around  
(Nothing much has changed)  
Take a look around  
Take a look around  
(Nothing much has changed)  
Take a look around I, I do not dare deny the basic beast inside  
It's right here, it's controlling my mind  
And why do I deserve to die?

I'm dominated by this animal that's locked up inside  
Why, why do I deserve to die?  
Why?
