It's Too Late

Paradise Lost

Feared and loathed besides
It's such a tragedyI've seen all others try
It ends in miseryCould you stand back and take this all in
Before it's too late?Fragrant your remarks
You offered sympathyRead between the lines?
The dream is honestyCould you stand back and take this all in
Before it's too late? now,
Could you stand back and set this soul free
Before it's too late?Dealt the losing hand
No need for jealousyAs our worlds collapse
Who will the saviors be?
