Temperature

Little Walter

My baby gimme a high temperature
My baby gimme a high temperature101 when we kiss and dance
102 for a night romance
103, 4 and 5
It gets too warm to stay aliveMy baby gimme a high temperature
My baby gimme a high temperatureWhen I see my baby comin' down the street
I feel the fever get too high to the beat
103, 4 and 5
It gets too warm to stay aliveMy baby gimme a high temperature
My baby gimme a high temperature97, 98 is just a false alarm
My temperature's a 105 when I hold her in my arms
103, 4 and 5
It gets too warm to stay alive
