Vicious Games

Yello

I never knew how much I loved you
I never knew how much I cared
So I playedVicious games, vicious games
With different names, different names
Vicious games, vicious games
With different names, different namesI was afraid to go under
Afraid to see when I closed my eyesVicious games, vicious games
With different names, different namesI never knew how much I loved you
I never knew how much I care
I just playedVicious games, vicious games
With different names, different names
Vicious games, vicious games
With different names, different namesNow that you're gone and you have left me
I had to learn, I had to learn how much it hurts
To play those vicious gamesVicious games, vicious games
Different names, different names
Vicious games, vicious games
Different names, different namesVicious games, vicious games
Different names, different names
