This Lull-a-bye (Album Version)

Esthero

And if I give you what you want and everything you need
Honey, would you deliver that to me
Could you give yourself completely to a love like this and all it can bring
Picket fence, a diamond ring, I really did not think soJust say goodbye, don't ask me why
And listen to this lullabye
Don't say you'll try, after tonight
All that I am, this lullabyeIf I am all that you desire then why are you never, ever satisfied
I could give the world and you'd still cry
You'll refrain again and again and I might stay if you would bend
But I really did not think soJust say goodbye, don't ask me why
And listen to this lullabye
Don't say you'll try, after tonight
All that I am, this lullabyeThis lullabyeJust say goodbye, don't ask me why
And listen to this lullabye
Don't say you'll try, after tonight
All that I am, this lullabye
