

# Boombastic (Album Version)

## Shaggy

Mr. Boombastic

What you want is some boombastic romantic

Fantastic lover, Shaggy

Mr. Lover Lover, Mmm, Mr. Lover lover, Sha

Mr. Lover lover, Mmm, Mr. Lover lover

[Chorus]

She call me Mr. Boombastic

Say me fantastic touch me on the back

She says I'm Mr. Ro

Mantic, say me fantastic

Touch me on the back, she says I'm Mr. Ro

Smooth, just like the silk

Soft and cuddly hug me up like a quilt

I'm a lyrical lover

No take me for no filth

With my sexual physique, jah know me well-built

Oh me oh my, well well

Can't you tell

I'm just like a turtle crawling out of me shell

Gal you captivate my body put me under a spell

With your couscous perfume

I love your sweet smell

You are the only young girl who can ring my bell

And I could take rejection, so you tell me go to hell

[Chorus: x2]

Gee wheeze, baby please

Let me take you to an island of

The sweet cool breeze

You don't feel like drive well baby hand me the keys

And I will take you to a place to set your mind at ease

Don't you tickle my foot bottom ha ha, baby please

Don't you play with my nose 'cause I might ha-choo sneeze

(bless you)

Well, you a the bun and me a cheese

And if me a the rice well maybe you a the peas

[Chorus: x2]

[Repeat: x2]

I say

Give me your loving, gal your loving well good

Want your loving

Gal you need like you should

Now remember that

Would you like to kiss and caress

Rub down every strand of hair on my chest

I'm boombastic

Rated as the best, the best you should get

Nothing more, nothing less

Give me your digits, jot down your address

I'll bet you confess when you put me to the test

That I'm

[Chorus: x2]

Gal, your admiration it's a-licked me from the start

With some physical attraction, gal, you know

To feel the spark

I want a few words, nogah tell you no sweet talk

Nogha lover, lover, lover

Nogha chat pure f

I'll get straight to the point

Like an arrow arrow dart

Come lay down in my jacuzzi and get some bubble bath

Only sound you will hear is the beating of my heart

And we will hm hm, and have some sweet pillow talk

[Chorus: x2]
