

Bad Seed

Metallica

Yeah, yeah
Yeah, yeah
Ooh, badYeah
Yeah, yeah
Come clean
Fess up
Tell all
Spill gutOff the veil
Stand revealed
Show the cards
Bring it on, break the sealLadies and gentleman step right up
And see the man who told the truthSwing the noose again
Pierce the apple skin
You bit more than you need
Now you're choking on the bad seed
On the bad seed, oh, chokin'Yeah
Let on
Load off
Confess
Cast offAt the mercy
The cat is out
Drop the disguise
Spit it up, spit it outAnd now what you've all been waiting for
I give you he who suffers the truthSwing the noose again
Pierce the apple skin
Yeah, you bit more than you need
Now you're choking on the bad seed
Choking on the bad, yeah, yeah, yeahOff the veil, stand revealed
Bring it on, break the seal
At the mercy, the cat is out
Spit it up, spit it out
Spit it up, spit it out
Spit it out nowAt the mercySwing the noose again
Pierce the apple skin
You bit more than you need
Choking on the seedSwing the noose again
Pierce the apple skin
Yeah, you bit more than you need
Oh, you're choking on a

Choking, choking, choking on the bad seed, yeahOff the veil, stand revealed
Bring it on, break the seal
At the mercy, cat is out
Spit it up, spit it out
Spit it up, spit it out
Spit it out now, yeah, yeah, yeahChoking on the bad, bad, bad
Bad, bad, bad seed
