Down By The Water

The Drums

If you fall asleep down by the water baby i'll carry you all the way home
x2
everybodies gotta love someone but i just wanna love you dear
everybodys gotta feel something i just wanna feel you my dear
i know its hard i know its hard i know its hard to be in this position
if they stop loving you i wont stop loving you
if they stop needing you i'll still need you my dear
If you fall asleep down by the water baby i'll carry you all the way home
x2
you gotta believe me when i say
when I say the word forever
and whatever comes your way we'll still be here together
I know its hard i know its hard but i understand you
Just take my hand
If you fall asleep down by the water baby i'll carry you all the way home
x2
oohh ohhh ohhh (in tune of ^) x2
