

Cool

EMM

What's his name? I forgot about you, forgot forgot you
I-I forgot
I forgot about you, forgot forgot you
I-I forgot
I forgot about you, forgot forgot you
I-I forgot
I guess I'm too freaking cool, freaking cool for you If ya dumb enough to walk away
I'd be dumb to want to make you stay
Ya dumb to play those dirty games
And think I won't forget your name Don't act like you don't know your dumb
Shoulda realized I'd overcome
Us bad chicks we're the beasts of the pack
Never slow down and never look back
Like
We tha freaking ish
We don't give a shi- Told me I would "never win"
Told me I would "never last this long"
But look who's sitting on the bench
Looks like somebody was wrong I remain
I remain
I remain
I remain
I overcame You don't own me, you don't control me
You don't own me, you don't control me
No more
You say that I'll have to bow down
You say that I will never hold my crown
But when your lies and weapons hit the ground
The earth will celebrate the sound
So when they ask me what I think
I won't think of you at all no more
I'm leaving all your dirty deeds way behind me at the door
Don't try to control me
You'll never own me
Don't try to control me
You'll never own me
Don't try to control me
You'll never own me "Isn't it amazing now, how GOD knows all of your mess,
And yet in his goodness and his mercy,

He has a way of leading you through?
The battle is not mine, it belongs to GOD."
