

Please Move

Bad Books

Don't move
I only think the truth unless it's you
Don't move
I tried to be the best and there's no proof Please move
It's a long time coming
A long time making you
I hope that it will get the best of And I didn't know you wouldn't have
The key to the end of it all
I really hoped it would be okay
To save it for another day, for another day I hope you
Can take it slower than we are used to
Don't lose
Your hope in me if there is actually proof Don't move
I'm a long time coming
A long time making you I didn't know you wouldn't have
The key to the end of it all
Now I would make it to be okay
To save it for another day, for another day
Another day, another day
Another day, another day There's no use
It's a long time coming
A long time saving you
