Haemorrhage Of Uterus

Dead Infection

Bile flows from your uterus
When I put my phallus into your pussy
Beautiful ovarys excrete liquid
Which still sucks my pretty sperm
So many phallus were in your pussy
You get haemorrhage, you have got rotten uterus
I lick your cunt and rectum
That's all I can do for you
Your pussy is filthy, you must wash it
Please give me your things I can change this
I give you last chance I'll stop your bile
So trust me and let me operate your pussy
Haemorrhage, horrible pain
Hideous hernia in your pussy, your uterus dies
Putrefaction in your body, procreation dies
You take pains, more and more,
You groan loud, but this does not count
Suffering you get effusion, putrid cell is gone
Chance on life is very small, your blood is out of flesh
Your life is finished, uterus is decayed
Pretty young bitch is gone from this world
Love game
End of life
Haemorrhage of uterus it's reason of death
Pretty bitch is gone together with her pussy
