

Amen (Acoustic Mix)

Chris August

This world is full of people
The weary and the poor
Waiting for the day
When they will hurt no more
Though this world is full of suffering
These promises are true
We hold on to the hope
That the day is coming soon So Amen, amen and the people said amen
The troubles of this world
They're comin' to an end
And all my brothers and my sisters
Let me hear it again
The kingdom is comin'
And the people said amen This world is full of struggles
We're all trying to break free
We fall back to the same things
Cause addiction's our disease
But I'm telling you there's someone
Who will set your spirit free
His name is Jesus
And His blood redeems Give me more than just religion
Cause it feels like something's missin
That heaven and earth collision
Amen, amen
Lift a hand if you believe it
And if ya feel it then help me sing it
If ya know that ya need it
Then ya know that ya need it
So amen, amen and the people said
Amen
