

All We Ever Knew

The Head and the Heart

[Verse 1]

When I wake up in the morning
I see nothing
For miles and miles and miles
When I sleep in the evening, oh lord
There she goes, only in dreams
She's only in dreams
Well, well my love
We've been here before
Don't drag me through this again
We tried everything under the sun[Pre-Chorus]
Now I'm trying to wake up from this
I'm trying to make up for it[Chorus]
All we ever do is all we ever knew

La la la la la la

You don't see why you would there's no love to give
Well what goes around comes around
I know sometimes you get so caught in a dream
But now it's time to wake up from this
It's time to make up for it[Pre-Chorus]
It's time to wake up from this
Yes it's time to wake up from this
It's time to make up for it[Chorus]
All we ever do (all we ever do) is all we ever knew
