

# Supa Sexxy

Charlie Wilson

Greatness  
Plus greatness  
Equals great greatness  
Girl I believe you can fly, yeah  
'Cuz you got those Angel wings  
You know just what I mean  
And plus the voice you sing can save a life  
My baby's on the scene  
Somethin's hurtin' me  
She's my everything that I can't deny  
Gotta love her more everyday  
I got problems  
She makes 'em go away  
And if her love ain't enough  
My girl can rescue me  
Shoot right down and pick me up  
She supa sexy, yeah  
You look good to me  
You know, model  
Coke bottle, yeah  
Come and rescue me  
Supa sexy, ooh  
You look good to me  
You know, model  
Coke bottle, yeah  
Come and rescue me  
Supa sexy, supa woman  
You make me say, ohh  
Come and rescue me  
Supa sexy, supa woman  
You make me say, ooh  
Come and rescue me, supa sexy  
Ah wait a minute Uncle Charlie  
You know I can't let you out game me  
Here come another girl  
I'ma tell her what she wanna hear  
Excuse me baby, come here shawty  
Gimmie a second, lemmie borrow  
Your ear

Cuz you look good to me now  
You remind me of my  
Lamborghini, if you act right  
I'ma let you burn rubber on me, shawty  
Let me take ya cape and put it on the floor  
You can kick up your feet you ain't gotta rescue me no more  
Can I get ya somethin', lemme buy you a drank

As you can see, she on the next base, honkin'  
I'ma take her home with me  
She supa sexy, yeah  
You look good to me  
You know, model  
Coke bottle, ooh  
Come and rescue me  
Supa sexy, yeah  
You look good to me  
You know, model  
Coke bottle, yeah  
Come and rescue me  
Supa sexy, supa woman  
You make me say, ooh  
Come and rescue me  
Supa sexy, supa woman  
You make me say, ooh  
Girl I believe in you and I  
It takes no one to tell me why  
Cuz you not theirs and they're not mine  
And I can't keep u off my mind  
But listen baby, you don't need to be in magazines  
Cuz you look good to me  
And listen baby, you're the one that needs the rescuin'  
Cuz you look good to me  
She supa sexy, yeah  
You look good to me  
You know, model  
Coke bottle, yeah  
Come and rescue me  
Supa sexy  
You look good to me  
You know, model  
Coke bottle, ooh  
Come and rescue me  
Supa sexy, ooh  
You make me say, ohh

Come and rescue me  
Supa sexy, supa woman  
You make me say, ooh  
Come and rescue me, supa sexy  
Girl I believe you can fly  
Cuz u got those Angel wings  
You know just what I mean  
Plus the voice you sing can save a life
