

I Go Swimming

Peter Gabriel

Ooh, I go swimming, swimming in the water
Swimming in the river, swimming in the sea
I go swimming
I go swimming, swimming in the water
Swimming in the pool, swimming is cool
I go swimming The sun is burning, I am yearning
For the waterflow (waterflow)
Next to my skin i, like to begin a
Waterflow (waterflow)
Letting off steam I float in a dream,
I can't let go (can't let go)
Follow my wishes, follow the fishes
Down below (down below)
I go swimming I need water, water to drink
Water on my brain, water sustain,
Water over me
I want water, water I need
Water to think, water to drink
Water over me The sun is burning, I am yearning
For the waterflow (waterflow)
Next to my skin i, like to begin a
Waterflow (waterflow)
Letting off steam I float in a dream,
I can't let go (can't let go)
Follow my wishes, follow the fishes
Down below (down below)
I go swimming
