

# From the Ground Up

## Dan + Shay

Grandma and grandpa painted a picture of sixty-five years  
And one little house  
More than a memory  
More than saying I do  
Kiss you goodnight's and I love you's  
Me and you baby, walk in the footsteps  
Build our own family  
One day at a time  
Ten little toes, a painted pink room  
Our beautiful baby looks just like you  
And we'll build this love from the ground up  
Now 'til forever it's all of me, all of you  
Just take my hand  
And I'll be the man your dad hoped that I'd be  
And we'll build this love from the ground up  
For worse or for better  
And I will be all you need  
Beside you I'll stand through the good and the bad  
We'll give all that we have  
And we'll build this love from the ground up  
This life will go by  
In the blink of an eye  
But I wouldn't wanna spend it without you by my side  
The clouds are gonna roll  
The earth's gonna shake  
But I'll be your shelter through the wind and the rain  
And we'll build this love from the ground up  
Now 'til forever it's all of me, all of you  
Just take my hand  
And I'll be the man your dad hoped that I'd be  
And we'll build this love from the ground up  
For worse or for better  
And I will be all you need  
Beside you I'll stand through the good and the bad  
We'll give all that we have  
And we'll build this love from the ground up  
Someday we'll wake up  
With thousands of pictures  
Sixty-five years in this little house  
I won't trade for nothing, the life that we built  
I'll kiss you goodnight and say I love you still  
And we'll build this love from the ground up  
For worse or for better  
And I will be all you need  
Beside you I'll stand through the good and the bad  
We'll give all that we have  
And we'll build this love from the ground up
