

Every Morning (Hot Pink DeLorean Remix)

Basshunter

There is one girl in my life
That makes me love again
As pretty as a girl could be
So beautifulEvery morning she makes me
A cup of coffee with a smile on her face
I'm a man in love
And she's gloriousThere is one girl in my life
That makes me love again
As pretty as a girl could be
So beautifulEvery morning I wake up
And I think of you with a smile on my face
I'm a man in love
And she's gloriousOh baby, I want you to stay in my life
Never say goodbye, even if you cry
I'm still by your sideOh baby, I want you to stay in my life
Never say goodbye, even if you cry
I'm still by your sideThere is one girl in my life
That makes me love again
As pretty as a girl could be
So beautifulEvery morning I wake up
And I think of you with a smile on my face
I'm a man in love
And she's gloriousThere is one girl in my life
That makes me love again
As pretty as a girl could be
So beautifulEvery morning I wake up
And I think of you with a smile on my face
I'm a man in love
And she's gloriousOh baby, I want you to stay in my life
Never say goodbye even if you cry
I'm still by your sideEvery morning
