Bring Out the Devil (Original Mix)

Sofi

Oh! I know all your tricks, just like the back of my hand, little boy behind the curtain, coming up, coming up with a master plan,
sweet hypocrite, turning me right from wrong, I've seen it all before, we keep repeating everyone and we're singing the same song,
lock, lock, locked and loaded and your words are the gun, hold your breath, put your finger on the trigger, and its one on one, one on one, shoot me down, shoot me down, shoot me down, shoot me down, put me out of my misery, cuz you bring out the devil, you bring out the devil inside of me,
I said, you drop, pull the trigger and stop, GO! , on and on and on and on, I sit back lets smoke settle and I've won,
hypocrite, turning me right from wrong, I've seen it all before, we keep repeating everyone and were singing the same song,
lock, lock, locked and loaded and your words are the gun, hold your breath, put your finger on the trigger, and it's one on one, one on one, shoot me down, shoot me down, shoot me down, shoot me down, put me out of my misery, cuz you bring out the devil, you bring out the devil inside of me, you bring out the devil inside of me, you bring out the devil inside of me, you bring out the devil inside of me, you bring out the devil, you bring out the devil inside of me,
lock, lock, locked and loaded, and your words are the gun, hold your breath, put your finger on the trigger, and it's one on one, one on one, shoot me down, shoot me down, shoot me down, shoot me down, put me out of my misery, cuz you bring out the devil, you bring out the devil inside of me, shoot me down! shoot me down! You bring out the devil inside of me, shoot me down! shoot me down! You bring out the devil inside of me, shoot me down! shoot me down! You bring out the devil, you bring out the devil, shoot me down! Shoot me down! You bring out the devil inside of me, inside of me, inside of me, inside of me
