

Running On Sunshine (Professional Losers Vocal)

Jesus Jackson

Girl you got me trippin' on sunshine
God knows you just made my day
Since you came around, I just can't slow down, no
I wanna see you walkin' my way, yeah Girl you got me thinkin' 'bout diamonds
And gettin' down on one knee, maybe two, yeah
People may stop and stare, but I don't even care, no
Just as long as I'm with you You got me running on sunshine
And ain't no clouds getting in my way, no
I must be running on sunshine
Ain't no rain getting in my way, no, yeah Girl you got me actin' real crazy
Chasin' tail like some old dog
Ooh, I got this rocket in my front left pocket
Ready to explode like a bomb Something tells me your name is Lucy
'Cause everything keeps shaking around, yeah
We can cop a room, make these walls go boom
We can do this right here and now Running on sunshine
Ain't no clouds getting in my way
I must be running on sunshine
Ain't no rain getting in my way Hey just get over yourself
This ain't too good for your health
Hey just get over yourself Hey just get over yourself
This ain't too good for your health
Hey just get over yourself Girl you got me trippin' on sunshine
God knows you just made my day
Since you came around, I just can't slow down, no
I wanna see you walkin' my way, yeah Girl you got me thinkin' 'bout diamonds
And gettin' down on one knee, maybe two, yeah
People may stop and stare, but I don't even care, no
Just as long as I'm with you You got me running on sunshine
And ain't no clouds getting in my way, no
I must be running on sunshine
And ain't no rain getting in my way You got me running on sunshine
And ain't no rain getting in my way
I must be running on sunshine
Ain't no rain getting in my way, yeah, yeah, yeah No doubt
(You got me)
No doubt about it
(Trippin' in the sunshine, yeah)
And there ain't no clouds in my sky) No doubt

(You got me)
No doubt about it
(Trippin' in the sunshine, yeah)
And there ain't no clouds in my sky(Running, running, running)
No doubt
No doubt about it
And there ain't no clouds in my sky(Ain't no clouds to make my day)
No doubt
No doubt about it
And there ain't no clouds in my sky(Got me running, you got me running in the sun)
No doubt
No doubt about it
And there ain't no clouds in my sky(Ain't no clouds on me that day)
No doubt, no doubt about it
And there ain't no clouds in my sky
