Perfect World

Steve Miller Band

So you found someone
You found some heartache
You found some fun
You had some give and take
You had a friend
You had a fight
You saw it end
And then you're up all nightHave you seen the way she walks
The way she smiles at me
Laugh a while and talk a lot
And you're beginning to seeThat you get lost in her eyes
She takes you away
You start to talk
And time it flies
She takes you awayShe takes her time and leads you on
And then she lets you go
Time to time she'll lead you on
And then she'll let you knowThen you get lost in her eyes
She takes you away
You start to talk
And time it flies
She takes you awayThen you get lost in her eyes
She takes you away
You start to talk
And time it flies
She takes you awayYou found someone
You found some heartache
You found some fun
You had some give and take
You had a friend
You had a fight
You saw it end
But that's alrightHave you seen the way she walks
The way she smiles at me
Laugh a while and talk a lot
And you're beginning to seeThat you get lost in her eyes
She takes you away
You start to talk
And time it flies

She takes you away
