

Cheap Universe (Acoustic Version)

V for Volume

I always dreamed of being practical.... Logical....

You wanted me married,

You wanted me quiet

You wanted me buried

So you got a riotCheap universeGo to hell or let me go to hell alone,

Why do we have to go together?

This world is made for those who don't feel at allGo to hell I would be another girl if I could

But clearly I can't help myself

This is a cheap universeYou wanted my taxes

You wanted my sins

You wanted my prayers

So you got me cleanedGo to hell or let me go to hell alone,

Why do we have to go together?

This world is made for those who don't feel at allGo to hell I would be another girl if I could

But clearly I can't help myself

This is a cheap universeThis world is made for those who don't feel at all
