Bang! Bang!

Iwan Rheon

Pass the menu for my mind must pick the food to feed a fool, youre a different kind of decoration 'cause you wear the room bang bang.
I looked across the room and you were looking back at me I pay with heart instead of money and my weakness was the tip bang bang bang bang bang bangWhen I looked across the room and you were staring straight at me I spilt some coffee ohh to show you, youre beautiful you see bang bang.
In your eyes there was an honesty, no lies, but you weren't free I forgot to place that order 'cause those colours consumed me bang bang bang bang bang bangCould I take your eyes off that plate for a while?
I cant take my eyes off of you, please be mine.She only held it for a moment: optimism's not my friend. A cup of Beam, anything, shook my beard out the end bang bang. I only held it for a moment, pulses never let you be, If I could hold time for an instant, I would gladly set him free bang bang bang bang bang bangCould I take your eyes off that plate for a while?
I cant take my eyes off of you, please be mine.Bang bang bang bang bang bangUnder pumpkins orange lights we both approached eyes as if to greet, sharing shy smiles we thought then walked on by never again to meet Bang bang bang bang bang bangI can't wipe this smile off my face, please be mine.
