

# How Could You?

## The Old Dead Tree

I'm addicted to  
Every single thing you do  
I'm dying inside You're sucking me down  
Makes me feel I'm gonna drown  
It's killing me now  
All you do is bring me down All this time, in all your lies  
It has been  
No surprise now, realize now How could you cheat on me?  
Then turn your back on me  
You told me all the lies  
And hypnotized, and I believed How could you cheat on me?  
Then turn your back on me  
You told me all the lies  
And hypnotized, and I believed I'm coming to know  
All the secrets that you hold  
You think I'm a fool and don't know what you do  
A look in your eyes and I finally realize All this time, in all your lies  
It has been no surprise now, realize now How could you cheat on me?  
Then turn your back on me  
You told me all the lies  
And hypnotized, and I believed How could you cheat on me?  
Then turn your back on me  
You told me all the lies  
And hypnotized, and I believed And now with all your pride  
You still can't look me in the eye  
And now in all your shame  
You can't even speak my name How could you cheat on me?  
Then turn your back on me  
You told me all the lies  
And hypnotized, and I believed How could you cheat on me?  
Then turn your back on me  
You told me all the lies  
And hypnotized, and I believed I'm addicted to  
Every single thing you do  
I'm dying inside
