part 1

yuh yuh yuh
yuh yuh
bed time like how i feel after the wood
man should i fucking do it
could it be that im just lewd?
let me take you for a ride outside my room
had you fainting on my arm like u a motherfucking ...(idk sorry)??
0 views im still making moves
maybe cuz my ass got no PR
live in a bad ass neighborhood
bad ass neighborhood
bad ass neighborhood
maybe i should just quit and end my whole fucking career
cancel out
everything i fear
maybe im just in my feels and this shit just got real
teal zushi dragon cant believe my eyes are clear
teal zushi dragon i cant
believe itt
(laughter)
i just fucked it up
tzd
tzd
tzd
tzd
tzd
tzd
you cant believe everything you see online
keep my jeans on tight
hold my hand long flight
cant believe
i cant believe
that your my kin all mine
selfish kind alright
fortunate to have time but
i dont know how long i can go
no ones even listening aint even for show

2 monthly listeners
hows that possible
fuck thats so embarrassing cant even show my bros
cant even show my bros
cant even hold my own
forever takes a toll on my mental hold my own
hold my own
fuck it hold my own
i cant move my fucking body
i just want my fucking shawty bitch

part 2

your cargooooo
pants saggin all the way down to ur ankles
cant hold your breath be delicate all until it break you
all the muha meds in your system
steady chiefin your way up to the heavens
homie let it out
now your trauma dumpin on my couch
i know u just want some clout bitch
now stay the fuck away from me if you aint all that talk bitch
now stay the fuck away from me cuz u just on my clock bitch
now stay the fuck away from me
period
cuz my head still delirious
from these shrooms im still feeling it
cant believe my ass stumbled down the wrong path
now its heaven sent for me to get back on track
i cant believe it fuck

thats it
thats it
and thats it

(hi not in the song but this is just my speculation about what the lyrics are from listening) not confirmed!
