

# Somethin' Else

## Rocky Sharpe

Uh-look-ah there  
There she comes  
Here comes that girl again  
Wanted to date her since I don't know when  
But she don't notice me when I pass  
She goes with older guys from out of my class  
But that can't stop me from-ah thinkin' to myself  
She's sure fine lookin' man  
She's somethin' else

Hey look-ah there  
Across the street  
There's a car made just for me  
To own that car would be a luxury  
But right now I can't afford the gas  
A brand new convertible is out of my class  
But that can't stop me from-ah thinkin' to myself  
That car's fine lookin' man  
It's somethin' else

Hey look-ah here  
Just wait and see  
Workin' hard and savin' my dough  
I'll buy that car that I've be wanting so  
Get me that girl and we'll go ridin' around  
The town will be all shocked with my white top down  
I'll keep right on and dreamin' and-ah thinkin' to myself  
When it all comes true, man  
Wow! That's somethin' else

Look-ah here  
What's all this?  
Never thought I'd do this before  
But here I am ah-knockin' on her door  
My car's out front and it's all mine  
Just a '41 Ford not a '59  
I got that girl and I'm-ah thinkin' to myself  
She's sure fine lookin' man  
Wow! She's somethin' else
