21st Century Darlings

Kevin Max

Here we are
21st century darlings
All we are is just spinning wheels
Headless kings without the will to dream
Tarot cards and saccharin
Dating games and dieting
We foster things we should not keep
Oh my my...
All angels watch and keep us
Before the night falls in and goes to sleep
Oh troubled souls
It's the drug that feeds you
Insecure and all wrapped up
Credit card and coffee cup
All angels watch and keep us
Before the night falls in and goes to sleep (screams)
Don't fall to sleep...
Oh no...oh my my...
I don't wanna go...
Angels
