

Love Is All Around

Zucchero

Love is connection
Love is your strength.

Love is tomorrow
Love is a chain.

Love is the night time
Love makes you cry.

Love is the role of
A stupid lie.

Love is...
Love... is all around.

Love is the passion
Love is a train.

Love is emotion
Thru the pouring rain.

Love is the message
That's coming down.

Love is around you
Just come to town.

Love is...
Love is... it's all around.

Love is...
Love... it's all around.

Love is in motion
Stay and surrender.

Making the spirit
Love is the future.

Love is the feeling

And understanding.

Love... is all around.

Love is connection
Love is your strength.

Love is tomorrow
Love is a chain.

Love is the night time
Love makes you cry.

Love is the role of
A stupid lie.

Love is...
Love... is all around.

Love is...
Love... it's all around.

Love is in motion
Stay and surrender.

Making the spirit
Love is the future.

Love is the feeling
And understanding.

Love is all around
Love is all around.

Love is...
Make in love is... it's all around.

Love is...
Ahh... it's all around.

Ahh... say love's
Love... it's all around.

Love's...
Ahh... it's all around.
