

Forces Of Viktry

Linton Kwesi Johnson

Forces of Viktry
And we're coming right thru
Yeah the forces of viktry
Know what you're gonna do We mek a likkle beat
In 1978
And they fight and they fight
And they feed the state Them holler
Which is forward
We knock 'pon the gate
Them holler
Which is forward
And there's nothing at the gate
Yeah, the Forces of Viktry
And we're coming right thru
Yeah the forces of viktry
Know what you're gonna do We dressed in red
And we're feelin' dread
We dressed in green
And we're feelin' mean
We dressed in purple
And we're dressed in Yellow
We dressed in Blue
And we're coming right thru Yeah, the Forces of Viktry
And we're coming right thru
Yeah the forces of viktry
Now what you're gonna do
Coming with their army
So don't you get balmy
Them coming with their blade
And them drive you insane
Coming with their bodies
And their mek their rounds
Coming with their tank
And Babylon get bombed The Forces of Viktry
And we're coming right thru
Forces of viktry
Know what you're gonna do When ya call a physician
Say them hold position
When ya call a physician

Them no got no ammunition
And them got no position
When ya call a physician
Them a poor position
Them got no ammunition
And them got no position
Forces of Viktry
And we're coming right thru
Forces of viktry
Know what you're gonna do
