

Until the Day I Die

Steve Earle

Back in hills, we were only kids
Love shined like a diamond in your eyes
I swore I'd never hurt you, then I did
Now I'm all alone with all my lies I promised that I'd never be untrue
I'll never make you cry
The only promise that I didn't break
Was to love you 'til the day I die I wish I'd never seen those city lights
A sight for country boy to see
For every one that you see shinin' bright
Another is burnin' out like me I wouldn't listen though you told me dear
I couldn't see the lie
But all the same I still love you tonight
And I'll love you 'til the day I die They built this prison just for fools like me
Who don't know treasure from stone
I killed a man now I won't ever see
The green rollin' hills where I was born No, I won't ever see your face again
But if I close my eyes
I can almost hear you call me back to then
And I'll love you 'til the day I die
I'll love you 'til the day I die
