

Frontier City (B-Side)

Kings of Leon

Find yourself a new frontier
'Cause life is going, going gone
Fly yourself away from here 'til you're clear
Before it's going, going, gone Say it loud and in the light
For it's going, going gone
Shake the hands, the hands that pick people fight
'Cause life is going, going gone Yes I'll find you and cut you down
Friends and neighbours, sleepy town
If you wake up before the blow
Pick your face up
We come, we go
We live until we live no more Travel with the dead black eye
Before it's come and come and gone
Cradles and the rocking chairs beneath the light
Before it's come and come and gone
