

Liar

Built to Spill

I wouldn't be a liar
No, I wouldn't be a liar
If I told you that
I wouldn't be a liar When things are all you think of
And plans are all you make
And thoughts are all you dream of
Your falls are all you take Look out the world's destroying ya
Relax it isn't fair
Mother natures disposition
She don't mind, she don't care
She don't mind, she don't care And I wouldn't be a liar
No, I wouldn't be a liar
If I told you that
I wouldn't be a liar Passing over, passions pour
Passing everything I wouldn't be a liar
No, I wouldn't be a liar
If I told you that It takes up all of your life
These decisions you make
It takes up all of a day
Making them all Well, I sat on the patio
While pianos were being tuned
Forget about it all for a little while
She don't mind, she don't care
She don't mind, she don't care
She don't mind, she don't care And I wouldn't be a liar
No, I wouldn't be a liar
If I told you that
I wouldn't be a liar See that seems minor to me
See that seems minor to me
See that seems minor to me
See that seems minor
