Saturdays And Sundays

Ksm

Monday morning, here we go again
We get this over, no more sleeping in
Responsibilities, all that I see
A five day work week up ahead of me
I, I, I, I don't like Tuesdays
Uh, uh, unless it's on a holiday
If I can make it to Friday
Then things can start going my way 'cause
Saturdays, Sundays are my favorite days
Who needs Mondays anyway?
Gotta plan your escape you only get forty eight
Live it up nonstop just can't get enough
Saturdays, Sundays, Mondays, no way
Tuesday, Wednesday, can't wait for Friday
Summer vacation, you know I'm waiting
But until then got to be patient
Take a week off, sounds good to me
But that's fiction and not reality
I, I, I, I don't like Tuesdays
Uh, uh, unless it's on a holiday
If I can make it to Friday
Then things can start going my way 'cause
Saturdays, Sundays are my favorite days
Who needs Mondays anyway?
Gotta plan your escape, you only get forty eight
Live it up nonstop, just can't get enough
Saturdays, Sundays, Mondays, no way
Tuesday, Wednesday, can't wait for Friday
Call up your best friends
Crank up the KSM
It's time to start it up
Because you know you love
Saturdays, Sundays, Mondays, no way
Tuesday, Wednesday, can't wait for Friday
Saturdays, Sundays, Mondays, no way
Tuesday, Wednesday, can't wait for Friday
Saturdays, Sundays are my favorite days
Who needs Mondays anyway?
Gotta plan your escape, you only get forty eight

Live it up nonstop, just can't get enough
Saturdays, Sundays are my favorite days
Who needs Mondays anyway?
Gotta plan your escape, you only get forty eight
Live it up nonstop, just can't get enough
