

# Sign Of The Times

## Quiet Riot

Well I have street sense radar  
Ooh, is supposed be news  
You better lock up your daughters  
You never know when we're due

Good news, bad news  
It's all the same  
Addicts on main streets  
They give us the blame

Hey! Hey! Hey! Hey!  
We're a sign of the times  
Having fun ain't no crime  
We're a sign of the times  
Having fun all the time, yeah

Great impersonators  
We broke all the rules  
We laugh with our masks on  
The joke is on you

You're getting furry  
It does you no good  
It's the same old story  
It's a human zoo

Hey! Hey! Hey! Hey!  
We're a sign of the times  
Having fun ain't no crime  
We're a sign of the times  
Having fun all the time, yeah

My, my, my, my, yeah

Hey!  
Hey!  
Hey!  
Hey!

Cha!

Cha!

I see a sign up ahead  
Got it's lights flashing red  
I can see you're the same  
These are the words that I read

Long live rock and roll (Roll!)  
Long live rock and roll (Roll!)  
Long live rock and roll  
It's gonna save your soul

Good news, bad news  
It's all the same  
Addicts on main streets  
Please, please give us a break

Hey! Hey! Hey! Hey!  
We're a sign of the times  
Having fun ain't no crime  
We're a sign of the times  
Having fun all the time

Hey!  
We're just a sign of the times  
We're just a sign of the times  
We're just a sign of the times, yeah  
We're a sign of the times  
Having fun all the time  
Hey! Hey! Hey! Hey!
