

Deja Vu (feat. Justin Bieber)

Post Malone

[Intro]

Oohh

Oh[Verse 1: Post Malone]

Cause I can't take it no more

No you ain't like them bitches, tell them hoes adios

And you can drop your panties, leave them shits at the door

Dior falls on the floor, I swear we been here before

I'm tryna see you from my own perspective

You all in my section tryna come to my session

We runnin' a pressure, you know that we flexin'

We bought all the bottles, we came with the models

Girl this a confession

I'm not like your exes

I came in from Texas

And now that we textin'

You can fly in whenever

Now you undressin'

Panties on the dresser, your hair gettin' messed up

The feelin' we catchin'

My love is a blessin'

Made love in that Lexus

Made love in that Lexus

I know you remember

[Hook: Justin Bieber + Post Malone]

Tell me is that deja vu?

Cause you want me and I want you

Tell me is that deja vu?

Cause baby it ain't nothing new, no

Tell me is that deja vu?

Cause you want me and I want you

Tell me is that deja vu?

Cause baby this ain't nothing new, no[Verse 2: Justin Bieber]

Oh you actin' reckless

I told you that I need affection

So let me point you in the right direction

It's so important that you get the message

Yeah I gotta say

Gotta say somethin' to you, you, you

I'm on a roll

I'm gonna roll out in that new, new, new
If you wanna do what I wanna do
Well uhm, uhm, uhm
Well I guess that's just deja vu[Hook: Justin Bieber + Post Malone]
Tell me is that deja vu?
Cause you want me and I want you
Tell me is that deja vu?
Cause baby it ain't nothing new, no
Tell me is that deja vu?
Cause you want me and I want you
Tell me is that deja vu?
Cause baby it ain't nothing new, no[Verse 3: Justin Bieber + Post Malone]
Tell me if you want it baby
Cause I know I can drive you crazy
I just wanted you to know now
Oh-oh, oh-ohhh
Show up in that new Mercedes
You already know I'm faded
Girl I've been thinkin' about you lately
Oh-oh, oh-ohhh[Hook: Justin Bieber + Post Malone]
Tell me is that deja vu?
Cause you want me and I want you
Tell me is that deja vu?
Cause baby it ain't nothing new, no
Tell me is that deja vu?
Cause you want me and I want you
Tell me is that deja vu?
Cause baby it ain't nothing new, no[Outro: Post Malone]
Cause I can't take it no more
No you ain't like them bitches, tell them hoes adios
And you can drop your panties, leave them shits at the door
Dior falls on the floor, I swear we been here before
