

Beautifully Made

Leah Smith

I've had those days where I wanted to be someone else
Not good enough just being me
And I've had those times when I've looked into the mirror
Not happy at all at what I'd see

'Cause I don't feel special
And I don't feel beautiful
And I don't feel smart enough, strong enough, good enough - feel like nothing at all
But in times like these I come back to the truth that I have found

I am beautifully and wonderfully made
I am beautifully and wonderfully made

You know all about the way that I am feeling
'Cause you have felt the same way before
You've been hurt by the things people have said
You have cried many nights alone on your bed
You have big dreams, but don't know if they'll ever come true

And you don't feel special
No, you don't feel beautiful
You don't feel smart enough, strong enough, good enough - feel like nothing at all
But in times like these you come back to the truth that you have found

You are beautifully and wonderfully made
Yes, you are beautifully, you're wonderfully made

La La La La Laaaaa
La La La La Laaaaa

Sure you're not famous (you may not be)
And you may not be a millionaire (may not be a millionaire)
May not be the smartest one, the strongest one, the cutest one - find your identity elsewhere (La La La La La La
Laaaa La)

And you'll walk with your head held high
See, I'll smile 'cause I know that I....

(Beautifully) and wonderfully made
(I am beautifully made)

Beautifully and wonderfully made
(Gonna walk with my head held high... with a smile on my face)
Beautifully and wonderfully made
(Cause I know; Yes I know)
Beautifully and wonderfully made
(That I am beautiful)
Beautifully and wonderfully made
(I know, I am....)

Beautifully and wonderfully
Beautifully and wonderfully made
Ohhhhhh
Heeeeeeeeee, I know it's true
I know it's true
I'm beautifully made
