

Jenny Don't Be Hasty (The Hempolics remix)

[Paolo Nutini](#)

You said you'd marry me if I was twenty three
But I'm one that you can't see if I'm only eighteen
Tell me who made these rules
Obviously not you
Who are you answering to?[Chorus]
Oh, jenny don't be hasty
No, don't treat me like a baby
Let me take you where you'll let me
Because leaving just upsets me I'll be around again to see the other men
They're more adequate in the age department
I did not think you cared.
There'd be no problems here
But now you're looking at me like you're disgusted
Then I'm definitely waiting for you to smile and change your mind
Then I'll say I'm sorry and I'll wrap my arms 'round your body
I really hope that you forgive in a hurry
And don't just ask me to leave[Chorus]
