

# All Screwed Up

## Ramones

Without you baby, it's like a suicide  
I need you baby, well I just can't hide  
I miss you honey, when it's cold outside, oh yeah  
I miss your body baby, next to mine  
Baby yeah, we sure felt fine  
I miss you honey, oh yeah  
I said, baby, baby I'm all screwed up  
I miss your body and I need your love  
I miss you honey when it's cold outside, oh yeah  
Baby, baby I'm all screwed up  
I miss your body and I need your love  
I miss you honey when it's cold outside, oh yeah  
I said baby, baby, baby, baby  
Baby, baby, oh yeah, oh yeah  
Baby, baby, baby, baby  
Baby, baby, oh yeah, oh yeah  
Without you baby, it's like a suicide  
I need you baby, well I just can't hide  
I want you baby, when it's cold outside, oh yeah  
I miss your body baby, next to mine  
Baby yeah, we sure felt fine  
I want you baby, oh yeah  
I said baby, baby, baby, baby  
Baby, baby, oh yeah, oh yeah  
Baby, baby, baby, baby  
Baby, baby, oh yeah, oh yeah  
Baby, baby, baby can't you see?  
You don't know what you're doin' to me  
Oh yeah, oh yeah, oh yeah  
I need you baby, baby can't you see?  
You don't know what you're doin' to me  
Yeah, oh yeah, oh  
I love the music business but it makes me sick  
Everybody's beautiful and full of it  
I love the way that you shake your hips, oh yeah  
I miss your body baby, next to mine  
Baby yeah, we sure felt fine  
I miss you baby, oh yeah  
Baby, baby, baby, baby

Baby, baby, oh yeah, oh yeah  
Baby, baby, baby, baby  
Baby, baby, oh yeah, oh yeah  
Oh yeah, oh yeah
