

Drive Her Home

U-Roy & Hopeton Lewis

I give her the number 1 and I drive her home
I give her the number 2 and drive her home
 When I give her the number 3
 Said, Darling, I'm feeling free
Girl is close to mine and drive me home Give her the number 2 and drive her home
I give her the number 3 and drive her home
 When I give her the number 4
 Said, Darling, I don't love you no more
Girl is close to mine and drive me home Give her the number 2 and drive her home
I give her the number 3 and drive her home
 When I give her the number 4
 Said, Darling, I don't love you no more
Girl is close to mine and drive me home Drive me home, drive me home
 Drive me home, yeah, drive me home
 Girl is close to mine
