

# There's No Way Out Of Here

David Gilmour

There's no way out of here, when you come in you're in for good  
There was no promise made, the part you've played, the chance you took  
There are no boundaries set, the time and yet you waste it still So it slips through your hands like grains of sand,  
you watch it go  
There's no time to be lost, you'll pay the cost so get it right  
There's no way out of here, when you come in you're in for good And never was there an answer, there an  
answer  
Not without listening, without seeing There are no answers here, when you look out you don't see in  
There was no promise made, the part you've played, the chance you took  
There's no way out of here, when you come in you're in for good
