

# Break 'em Off

Paul Wall

I?ma break ?em off real bad  
I?ma show 'em, pourin' up a deuce and ridin' slab  
I?ma break ?em off real bad  
I?ma break ?em, I?ma break ?em off real bad  
I?ma break ?em, I?ma break ?em off real bad  
I?ma show 'em, pourin' up a deuce and ridin' slab  
I?ma break ?em, I?ma break ?em off real bad  
I?ma break ?em, I?ma break ?em off real bad  
I?ma break ?em, I?ma break ?em off real bad  
I?ma show 'em, pourin' up a deuce and ridin' slab  
Now I gotta work my wood grain wheel  
Poppin? trunks, poppin? grills, still poppin? seals  
High up in the hill with my mind on mill  
Piece of chain swingin?, bank roll, shiny grill  
Baby, I got million dollar dreams with my mind on cream  
I?m in that mean green machine, clean on 19s  
Flat screens in the headrest, swingin? like a swing set  
Brandy wine, paint wet, comin? down, that's a fact  
I?m in the 'Lac, chasin? broads like a lesbian  
Full of that kush flower, I?m breakin' off pedestrians  
Higher than the street light, floatin? like a parachute  
Buzzin? like a bumblebee, mustard green Bentley Coupe  
Young gangsta, mac game, sharper than a thumbtack  
Breakin? ?em off, makin? all the boppers attract  
Then they watch me, I?m rocked up  
Fully loaded and slabbin?, tryin? to hit it and quit it  
And walk off like Big Poppi, break ?em off  
Break ?em off real bad  
I?ma break ?em, I?ma break ?em off real bad  
I?ma break ?em, I?ma break ?em off real bad  
I?ma show 'em, pourin' up a deuce and ridin' slab  
I?ma break ?em, I?ma break ?em off real bad  
I?ma break ?em, I?ma break ?em off real bad  
I?ma break ?em, I?ma break ?em off real bad  
I?ma show 'em, pourin' up a deuce and ridin' slab  
Ay, ay, I pull up like this, untouchable white wrist  
I?m hotter than warm piss, berry, grape, Sunkist  
The truck, gold mist, five 50, slow, buddy  
Bentley Continental with the mink floors, dummy

Paul Wall money, that's expensive taste  
And 'em frilly ass fools, we send 'em to my space  
I'ma break 'em off until the backbone broken

Stainless steel, drop Phantom, leave the top open  
Shit done hit the fan, better cover your nose  
And the kush done start burnin', better cover your clothes  
Concrete crumblin', glass shootin' lazars  
Crawlin' and cuttin' up on 24 razors  
I'ma show 'em how to make the slab look phenomenal  
Chasin' paper in the mornin', call me Houston Chronicle  
Hold on, then you buckle up the seat belt  
Swisha House, Young Don, capital TF  
I'ma break 'em off real bad  
I'ma break 'em, I'ma break 'em off real bad  
I'ma break 'em, I'ma break 'em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slab  
I'ma break 'em, I'ma break 'em off real bad  
I'ma break 'em, I'ma break 'em off real bad  
I'ma break 'em, I'ma break 'em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slab  
Oh really, I'm higher than the satellite, crawlin' like a baby  
Maneuverin' through the traffic like I'm Tracy McGrady  
Still choppin' on 'em buttons, I'm struttin' and lookin' fresh  
Switch hittin' like Bergman, this is ballin' at its best  
In that minute, may drop it with retractable roof  
Finer than wood, wavin' the hood, student loans on the two  
The fifth wheel on the ground and the trunk in the air  
Paul Wall, baby, I'm the definition of playa  
My skills is so ill when workin' that wood wheel  
Tippin' 4s like a waiter, beware of the overseer  
Wide screen mind frame, panoramic pimpin'  
I'm sippin' on that Osama, baby, leanin' like I'm limp'in'  
In that 2 seater feeder, it's me and a senorita  
3 ounces up in the liter and it's ten up in the heater  
Mackin' a mamacita, runnin' game like a cheetah  
I'm knockin' 'em out the park, similar to Derek Jeter  
Break 'em off, break 'em off real bad  
I'ma break 'em, I'ma break 'em off real bad  
I'ma break 'em, I'ma break 'em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slab  
I'ma break 'em, I'ma break 'em off real bad  
I'ma break 'em, I'ma break 'em off real bad  
I'ma break 'em, I'ma break 'em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slab
