

# Already

## Chief Keef

[Intro]

(YG On Da Beat)

Bitch, you already know though

My niggas send shots

But you already know though

You ain't gettin' guap boy

But I already know though

Already know though

You already know though

I got lots of guap, but you already know though

My niggas send shots but you already know though

You ain't gettin' guap and I already know though

Already know though, already know though

[Hook]

I got lots of guap but you already know though

My niggas send shots but you already know though

You ain't gettin' guap and I already know though

Bitch I already know though

I already know though, I already know though

I already know though, I already know though

She already know though, she already know though

You already know though, you already know though

[Verse 1: ManeMane4CGG]

You already know though

Ben Franklin in my pocket ho

Trappin' out the mansion, ho

Me and King Glo

With two foreign hoes

They from overseas though

I be flexin' on my old ho

You know how that go

You know how the glo go

We don't love no ho

I'm in love with my guap though

Ain't worried 'bout no ho

Scooter shoot you up though

That's my lil bro

You know how that glo  
Bond money on deck though  
We gettin' guap ho  
So much guap ho  
I can't build my own ho  
I'm gettin' guap, ho  
I'm Almighty Four  
I'm Four Corner Glo  
Glo gang, lil ho

[Hook]
