No Big Deal (12" Remix)

Love And Rockets

You set me up again
You make me lose my friends
I just don't know what I'm gonna do with youYour feet are still on the ground
So you put me down
I just don't know what I'm gonna do with youI don't feel...
You're no big deal
No big deal
I got into a fight
Got into it tonight
I just don't know what I'm gonna do with youYou talk much to loud
When you put me down
I just don't know what I'm gonna do with youI don't feel...
You're no big dealYou know you broke my heart
And that was just the start
I just don't know what I'm gonna do with youYou know you broke my heart
And that was just the start
I know just what I should do for you
I tell you
I don't feel...
You're big deal
No big deal
