No Big Deal (12" Remix)

Love And Rockets

You set me up again

You make me lose my friends

I just don't know what I'm gonna do with youYour feet are still on the ground

So you put me down

I just don't know what I'm gonna do with youI don't feel...

You're no big deal

No big deal

I got into a fight

Got into it tonight

I just don't know what I'm gonna do with youYou talk much to loud

When you put me down

I just don't know what I'm gonna do with youI don't feel...

You're no big dealYou know you broke my heart

And that was just the start

I just don't know what I'm gonna do with youYou know you broke my heart

And that was just the start

I know just what I should do for you

I tell you

I don't feel...

You're big deal

No big deal
