

True Life Story

Virgin Prunes

Pretty little girl Pretty little girl's in the bathroom
Sitting on the carpet
Playing with the? sun
Always the devil in me
He makes me feel like a man
I open the doors all day
To find me in a room
Oh, I am so scared
I'm looking for something beautiful
I'm looking for a? sign Pretty little girl
Comes up to me to say
Jump up onto my back and I'll carry you away
Violent and tragic
