

Nothing Good Has Happened Yet

We Are the Ocean

Let me in from the rain don't you let me go again
Let the water run down my face

So they say, so they say
I'm gonna take this to the top I'll kiss the air
Don't waste your breath, just fade away

Well okay, I guess nothing good has happened yet,
And I pray, that I'll be alright.

Let me in from the rain, don't you let me go again
Let the water run down my face.

You are so cold (I'm so alone)
And I'm about to fold (just let me go)
You are so cold (I'm so alone)
And I'm about to fold (just let me go)

Well okay, I guess nothing good has happened yet,
Well I'll pray, that I'll be alright.

Oh-oh-oh

You are so cold (I'm so alone)
And I'm about to fold (just let me go)
You are so cold (I'm so alone)
And I'm about to fold (just let me go)

Yeaaa-Yeah

Well just let me go
Well just let me go

Just let me go
Just let me go
Just let me go

So they say, so they say
I'm gonna take this to the top, (just let me go)
I'll kiss the air, (just let me go)

Don't waste your breathe, just fade away
