

# Here 'tis

## Lola Albright

I sing...

I sing...

Yeah, now, I love my baby,  
And my baby loves me.  
Well, if we could get together,  
Ow! how happy we could be.

I sing...

Yeah, my, all night,  
And all day,  
Well, the reason I'm unhappy,  
That my baby went away.

I sing...

Yeah, my, all night,  
And all day,  
Well I want to hold my baby,  
All night and day.  
Yes, I love my baby,  
Yes, I love my baby.

I sing...

I'm alright,

I'm alright,

Oh!

Yeah, yeah, yeah, yeah, oh!

Oh yeah!

Oh-oh-oh,

Here it comes,

There's more, there's more, there's more.

Here it comes,

Here it comes,

Oh,

Yeah, yeah, yeah,

Oh,

Yeah, yeah, yeah,

Sing...

I sing...

I sing...

I sing...

Yeah, my, all day,  
And all night,  
Now my baby can write to me,  
And everything's all right now.  
I sing

I'm alright [Repeat: x4]
