

# Hype-nitis

## Canibus

Yo whassup, wassup son?  
Yeah yeah yeah, we ready  
Whassup, whassup son?  
Whassup, what's the deal?  
Yeah yeah  
Yeah, aight, so so all we gotta do  
Is do the shit we've been workin' on word  
When we add this new, Canibus nigga, ya know what I'm sayin'?  
Niggaz gonna feel that nigga  
Oh, that's the old to the new, the old to the new  
That's gonna bring us back  
So let's, so let's work on this shit  
Y'all ready? Two times, from the top  
I hold the mic, real tight  
And yo grab the mic and make the shit sound tight  
Hold the mic, real tight  
And yo, grab the mic and make the shit sound tight  
The hype-nitis is in your eyes  
That look, that smile, in disguise  
Aiiyo, can you feel it?  
I know that everybody's heard of that  
But this is the ninety-eight version of that  
BizMark, one of the founders of this art  
Discovered evidence, of the disease, and documented it  
Now the name of the virus is called "Hype-nitis"  
A terminal condition that effects all biters and liars  
Hype-no-holics can't require my respect  
'Cause they snakes and I can smell the venom on they breath  
Hype-nitis  
The hype-nitis is in your eyes  
That look, that smile, in disguise  
Alright now, I'm about to break the hype-nitis down  
It's characterized by a certain type of lifestyle  
People that treated you foul just wanna be nice now  
  
Smile and raise they eyebrows when you come around  
I remember when I first started to work  
And tried to get this job as a label intern  
Them niggaz was, killin' me 'cause wasn't nobody feelin' me

A&R's wouldn't even risk demo-dealin' me  
The hype-nitis is in your eyes  
That look, that smile, in disguise  
Aiyyo, I know  
Most the niggaz I exchange pounds with or lounge with  
Wouldn't be around if my career was spiralin' downward  
They'd crowd around me 'til I'm surrounded  
Ask me who I'm down with, 'til I replied, "The Navy Seals outfit"  
They told me my album was coconuts so they rewound it  
I knew they was hype-no-holics by how they voices sounded  
I pull a silver can out of my trousers  
Made a public announcement, about the Hype juice  
And then I bounced kid  
The hype-nitis is in your eyes  
That look, that smile, in disguise  
To me hype-nitis is like the measles, 'cause it's a disease too  
Studies show it affects one in every five people  
It's so lethal, the cure can't be achieved through  
Hypodermic needles or the ingestion of medicine in teaspoons  
If you feel the need to, here's a toll-free number  
They'll send you an eight page pamphlet to read through  
(800)-7932 , there'll be available hype-no-holics  
Standin' by for you to speak to  
The hype-nitis is in your eyes  
That look, that smile, in disguise  
The hype
