Yeah

Orbit

My mind, my heart, my pulse, my veins
My sweat, my neves
Might dull the pain
My mind, my God, my God is silenceDon't talk, don't move, don't say a thing
Don't push, don't pull, don't pull away
My mind becomes
Becomes deep insideYeahTo sit, to stand , to walk, to be
My mind, my mind
Becomes complete
Don't wait don't get
Don't get excited
