

# Feeding The Addiction

## Suicidal Tendencies

Taste like addiction  
Smells like addiction  
This is addictionFeeding the addiction  
Feeding the addiction  
Feeding the addictionYou haven't eaten in days and your gums are bleeding  
Swearing to God, the pipe's all you're needing  
It's robbing or stealing or turning a trick  
You do whatever it takes to suck on the Devil's dickThe more you feed it, the harder it is to tame  
Taking in the Beast, playing it like a game  
Lying to yourself, saying the same old shit  
"I don't need it, I just don't want to quit"Taste like addiction  
Smells like addiction  
This is addictionFeeding the addiction  
Feeding the addiction  
Feeding the addictionThe hunger of the addiction calls  
There's nothing romantic about going through withdrawals  
You're craving a sample well, here's just a taste  
Picking and scratching the scabs on your faceYour life support system's a syringe  
Killing a piece of your soul every time you binge  
Praying to God and begging for forgiveness  
Knowing damn well that you can't keep on going on people like thisThis is addiction  
Feed the addiction  
This is addictionTaste like addiction  
Smells like addiction  
This is addictionI won't give up the plot but here's a few surprises  
Muscle spasms, you're puking as your temperature rises  
Led off to slaughter like a herd of cattle  
The demons inside have won the battleThe devil takes another soul to burn  
What does it take for another fool to learn  
The ritual's over as another one dies  
The ritual begins as another one triesIt's a feeding time  
It's your feeding time  
It's a feeding time  
It's your feeding timeIt's a feeding time  
It's your feeding time  
It's a feeding time  
Feeding the monsterCursing at God and praying to die  
Cursing at God and praying to die  
Cursing at God and begging to die
