20 Year Old Lover

Juliette and the Licks

It's alright, can I see you later tonight?
You're so fine, younger than the others, it's not right
'Cause you know I'm restless to you, how you get me all confused
You nearly pull me under, you're my 20 year old loverAnd I can hear what they're sayin'
When I'm talkin' to you
(Feelin' alright)
I don't know what I'm feelin'
But I know it's somethin' I dig
(Feelin' alright)I don't know what I'm feelin'
Just a little more than I should
(Feelin' alright)Now some boys got so little to say but a lot on their minds
So maybe I c-c-come a little late but you're right on time
Oh yeah, I need to let you know, don't be so quick on the draw
You gotta warm me up before you rub me rawAnd I can hear what they're sayin'
When I'm talkin' to you
(Feelin' alright)
I don't know what I'm feelin'
But I know it's somethin' I dig
(Feelin' alright)I don't know what I'm feelin'
Just a little more than I should
(Feelin' alright)
I don't know what I'm feelin'
For my 20 year old lover
(Feelin' alright)
I don't know, I don't knowHey, hey let me talk to you for a second
I was wonderin' maybe I could pick you up
At your mother's house
And you could gimme a little kiss before she kicks me outI got so many questions for you like
"What were you like in high school?
Did you make all them girls nervous too?"
I just wanna do so many things to youYou know like, maybe sit in your bedroom and you could tell me
About stories when you were younger and I don't know
Show me your record collection and put your hand on my leg
I don't know maybe, you're sick! It's not right(Feelin' alright)
I don't know what I'm feelin'
But I know it's somethin' I dig
(Feelin' alright)
I don't know what I'm feelin'
Just a little more than I should

(Feelin' alright)I don't know what I'm feelin'
For my 20 year old lover
(Feelin' alright)
I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
(Feelin' alright)
I don't know, I don't know
I don't knowBut I'm feelin' alright
(Feelin' alright)
And I'm feelin' alright
Oh, alright, yeah
